

Entrance Enhancements

We are in the process of improving the front entrance landscaping. 6" of clay was removed from the top and replaced with top soil in hopes that the flowers that will be planted in May will grow much better this year and many future years.

Kids Playing and Street Parking

As the weather gets warmer, please remember we will have many children playing on the sidewalks and streets. The cars parked on the street will sometimes make it difficult to see children as you drive. Please consider keeping your cars off the street. Also, please be aware of the extra foot traffic as you travel our streets and drive slowly and carefully.

Rumpke Contract

Recently, our HOA president Mark Lawson finished negotiations with Rumpke and we now have a 3-year signed contract with them. If you missed the announcement on our HOA Facebook page, the information is also on our website. This contract savings is available for new Rumpke customers and automatically took effect on April 1st for existing customers.

2018 HOA Events

We have several neighborhood events occurring during the warm months ahead including our neighborhood yard sale, July 4th parade and ice Cream social (if past coordinators still plan to do this, please contact Matt Mooney and we can help get the details out as the date approaches), and our fall picnic and annual neighborhood meeting. Please mark your calendars with the following dates and plan to participate in the fun and get to know your neighbors even better in the process.
