Newsletter

Neighborhood Picnic and ANNUAL MEETING - Sunday Sept. 23rd 1-5pm

Please join your neighbors for a time of food and fellowship. In addition to an enjoyable afternoon, we will be discussing several issues pertinent to the entire neighborhood, including, but not limited to an increase in our annual dues. As an HOA Board, we welcome your ideas and suggestions on how we can enhance, improve, and beautify our neighborhood to benefit you and your neighbors. There have been a few suggestions already, and we welcome any and all for discussion. Please email mattmooneyod@yahoo.com in advance or speak to any of our board members which are listed on our website www.kingswoodhoa.net.

Please bring your chairs, something to drink, and a side dish OR dessert for our rain or shine fun and annual meeting. The HOA will provide the BBQ, slaw, baked beans, plates/napkins, and cutlery. We will be meeting in the empty lot/field above the pond. We look forward to seeing you there.

Mowing

When you finish mowing, for the safety of our walkers, runners, and bikers, please blow the cut grass off the street and sidewalks.

Kids Playing and Street Parking

PLEASE remember we still have many children playing on the sidewalks and streets. The cars parked on the street will sometimes make it difficult to see children as you drive. Please consider keeping your cars off the street. Also, please be aware of the extra foot traffic as you travel our streets and drive slowly and carefully.

Neighborhood Pond

As discussed in the previous newsletter, the neighborhood pond is for the enjoyment of all neighborhood residents. Please keep it looking good and safe for everyone by not leaving any trash behind and even cleaning up for others when possible. When the weather cools and the water temperature drops a bit, we will be placing several grass carp in the pond to try to cut down on the amount of duck weed in the pond.
